

SUCCESS!!

Condition(s): Wellness Care, No Complaints

Dr. Dent,

It is very important to me to say thank you, and you have earned it. You are a compassionate, accomplished, and professional doctor. You have provided me with first rate health care.

You keep my spinal bones in alignment and orthogonal so they don't put any pressure on my nerves. The nerves then stay healthy and my body can keep expressing optimal health and potential of life.

As a fellow doctor, I am uniquely qualified to affirm that you are an exemplary technician, proficient in your practice, and you are an excellent doctor.

I will always be grateful to you.
